CITY OF LANGFORD FIVE YEAR FINANCIAL PLAN (PART 2)

REVITALIZATION AREAS

Areas zoned to permit hotel or motel development in the Langford Zoning Bylaw, 1999 as amended from time to time are designated pursuant to s.226(2) of the *Community Charter* for the purpose of encouraging the revitalization of the City and in particular the development of commercial hotel or motel facilities.

REASONS FOR DESIGNATION

The development of nearby hotel or motel rooms for visitors to the Langford area is seen as a critical component of the revitalization of the City's district commercial and town centre commercial areas. Hotel and motel uses are currently permitted in several zones, including the C3 District Commercial and C8 Town Centre Pedestrian Commercial zones, and the Council has amended the zoning bylaw to permit hotel uses in the Olympic View and Bear Mountain comprehensive development zones as well.

The Official Community Plan encourages the development of the town centre with housing, employment, and shopping opportunities in close proximity to each other. Expanding the potential customer base for town centre businesses beyond the local residential population, to include hotel or motel guests visiting the area for leisure, sporting and recreation events, will stabilize established businesses and create opportunities for additional businesses to be established; each of these effects will in turn have beneficial effects on other existing businesses. Because there are potential locations for hotels and motels in several areas of the municipality, and hotel and motel guests in all these areas will use town centre commercial facilities, all zones in which hotels and motels are a permitted use are designated for potential revitalization tax exemptions.

OBJECTIVES OF DESIGNATION

The objectives of designating areas for revitalization tax exemptions are:

- To stimulate and reinforce development initiatives in the town centre commercial area by stimulating investment in hotel and motel room development wherever in Langford such uses are permitted
- To encourage tourist accommodation development close to destination recreation facilities
- To reinforce the municipality's "open for business" approach and attract high quality development to the area
