The personal information requested in this form is collected under section 26 (c) of the Freedom of Information and Protection of Privacy Act ("FOIPPA") and will be used to administer permit applications within the City of Langford. The information provided on the form may also be shared in accordance with FOIPPA. Please contact Legislative Services at 250-478-7882 or foi@langford.ca if you have any questions about the collection, use, storage or disclosure of this information.

PERMIT GENERAL CONDITIONS
OVERSIZED VEHICLE OR RESTRICTED ROUTE PERMIT

INDEMNITY CLAUSE

The applicant, developer, contractor, or owner (the "Permit Holder") assumes all risks and liabilities incidental to the issuance and exercise of this permit, and agrees to indemnify, defend and hold harmless the City, and its elected and appointed officials, officers, employees, contractors and agents, from and against all claims, actions, damages, liabilities, costs (including legal costs), and expenses arising out of or in connection with any occurrence on or within the permit area, or caused by or contributed to by the negligence or other default of the Permit Holder in respect of anything done pursuant to or ostensibly pursuant to this permit. This indemnity shall survive the expiry or earlier termination of this permit.

NOTIFICATION / ROAD CLOSURES

Prior to starting any work, a minimum of three (3) business days' notice by email must be given to the Engineering Department at engineering@langford.ca.

Certified traffic control is required for any work that affects traffic flow. Provisions must be made at all times to ensure access for emergency service vehicles. Applicants must notify and coordinate with any affected residents or business owners, providing a minimum of three (3) business days' notice prior to the start of work.

All traffic disruptions must be approved by the Engineering Department. A minimum of three (3) business days is required for review of the submitted traffic management plan. No traffic disruptions are permitted on Friday afternoons preceding long weekends.

Road closures are not allowed without providing at least 24 hours notice to both the Engineering Department and the Fire Department. Detour signage must be reviewed and approved in advance.

SURFACE AND UTILITY REPAIRS

Any damage to the existing public right-of-way or utilities, including trees, shall be reported immediately to the Engineering Department who may undertake repairs at the applicant's expense or direct that the applicant make the necessary repairs, with restoration equal to existing or to the satisfaction of the Engineering Department.

INSPECTION

Failure to comply with the requirements of this permit will give the City reason to order the applicant to stop work.

ACKNOWLEDGEMENT AND ACCEPTANCE

I hereby acknowledge that I have read these general permit conditions in full; I understand and accept these terms herein this document and recognize that I must abide by the conditions in order to receive an approved permit application.
