Part 1 – Property Maintenance

Division 1 – General Property Maintenance

General

- 2 (1) Nothing in this bylaw relieves a Person from complying with a provision of any provincial or federal enactment, other bylaws, or any requirement of a notice, permit, order, or licence.
- (2) Where this bylaw prohibits a Person from doing something, or requires a Person to do something, in relation to Property, a Person means the Owner or Occupier of the Property, as the context requires, except as otherwise provided.

(3) For further clarity, the use of “their Property” or similar does not preclude the application of a section to an Occupier.

Property maintenance standards

3 The Owner or Occupier of Property must ensure that:

- (a) buildings, structures, and land on the Property do not fall into a state of disrepair or neglect such that they become:
 - (i) Unsightly;
 - (ii) a fire hazard;
 - (iii) a danger to the public; or
 - (iv) a Nuisance; and
- (b) fences, retaining walls, and wood ties located on Property adjacent to a Street or public place are not unstable, unsafe, rotting, crumbling, cracking, leaning, peeling, or rusting.

Drainage

4 The Owner or Occupier of Property must ensure that each of the following conditions are met as applicable:

- (a) all surface water originating from their Property is directed into the nearest City approved drainage system;
- (b) water does not accumulate around their Property in a manner which creates a Nuisance; and
- (c) an excavation, or basement area that remains after a building is demolished, does not become or remain filled with water for a period in excess of 10 days.

Storing materials on Property

5 (1) A Person must not store outside of a closed structure on their Property:

- (a) discarded materials;
- (b) Vehicle parts;
- (c) Derelict Vehicles;
- (d) Construction Equipment or construction materials where there is no apparent or real Construction occurring on the Property for which the materials or equipment are required;
- (e) household chattels, fixtures, and furniture, except for furniture designed for outdoor use;
- (f) appliances, except for barbecues, smokers, or other similar food preparation appliances that are ordinarily used outdoors; or
- (g) Derelict boats, Derelict trailers, or Derelict Recreational Vehicles.

(2) A Person must deposit all Waste in a container designed specifically for that purpose.

(3) Subsection (1) does not prevent the lawful storage and keeping of materials in or on any non-residential land, if a lawful use requiring that material is conducted on the land and the materials are stored in a manner which does not create a hazard or impede access to the Property or public areas.

Compost

- 6** A Person must not allow a compost container or pile on their Property to become a Nuisance, including by allowing the compost container or pile to emit excessive offensive odour or attract pests.

Securing Waste containers

- 7** Every Person who is responsible for a Waste container, including a dumpster, used for:
- (a) commercial or industrial Waste,
 - (b) multi-family residential Waste, or
 - (c) Construction purposes,
- must ensure that the Waste container is kept locked or enclosed to prevent unauthorized access when not being actively loaded or unloaded.

Noxious Weeds

- 8** (1) A Person must not cause or permit Noxious Weed to grow or accumulate on their Property.
- (2) The Owner or Occupier of residential, commercial, or industrial Property that contains a Noxious Weed must make reasonable efforts to eradicate the Noxious Weed.
- (3) In eradicating the Noxious Weed referred to in subsection (2), the Owner or Occupier must comply with all applicable provincial and federal regulations relating to pest management and control.
- (4) This section does not apply to the City with respect to City owned or controlled Property.

Lights

- 9** (1) A Person must not cause or permit outdoor lighting located on their Property to be directed so that light generated:
- (a) unreasonably disturbs the peace of another individual;
 - (b) unreasonably affects the use or enjoyment of another Property; or
 - (c) unreasonably interferes with the safe use of a Street by pedestrians or Vehicles.
- (2) Subsection (1) does not apply to the City with respect to City owned or controlled Property or land.

Division 2 – Unoccupied Premises

Securing Unoccupied Premises

- 10** (1) The Owner of Unoccupied Premises must utilize or install security measures or devices, which do not impact neighbouring properties, but are sufficient to secure the Unoccupied Premises at all times against unauthorized entry or occupation, vandalism, intentional damage, injury to wildlife, and fire hazards.
- (2) Security measures under subsection (1) may include:

- (a) affixing structural barriers to windows and other points of ingress using materials and installation that is effective in precluding easy entry;
 - (b) installing security fencing or other perimeter barriers;
 - (c) installing a security lighting system;
 - (d) installing a security alarm system; or
 - (e) employing security or guard patrols on a frequent and periodic basis.
- (3) Security measures or devices as set out in the above subsections (1) and (2) may not be installed in such a manner that restricts firefighter access in the event of an emergency.

Damaged Unoccupied Premises

- 11** The Owner of Unoccupied Premises which has been damaged because of unauthorized entry or occupation, vandalism, intentional damage, or fire must, within 48 hours of being notified of the damage:
- (a) install or take sufficient security measures to secure the Unoccupied Premises against further unauthorized entry, occupation, vandalism, intentional damage, or fire; and
 - (b) make the repairs necessary to prevent further damage to the Unoccupied Premises.

Rodent control for Unoccupied Premises

- 12** The Owner of an Unoccupied Premises which is slated for demolition and redevelopment must, as a condition of a demolition permit, engage professional pest control services to mitigate any rodents on the Property no more than 45 days and no less than 10 days before the demolition, and must provide proof of such to the City.

Demolishing Unoccupied Premises

- 13** (1) The Owner of Unoccupied Premises must demolish any Unoccupied Premises for which re-zoning has been issued within 120 days of the Property becoming an Unoccupied Premises, unless:
- (a) the Property is the subject of an active building permit for repair, rehabilitation, or demolition, and the Owner is progressing diligently to complete the repair, rehabilitation, or demolition that is subject to the permit; or
 - (b) the Property meets all applicable codes, is ready for occupancy, and is actively being offered for sale, lease, or rent, and the Property is supplied with minimum utilities to maintain the proper functioning of the facilities as well as to prevent damage to facilities, and there is no unauthorized occupancy.
- (2) After an Unoccupied Premises is demolished, the Owner must:
- (a) remove any debris within 10 days of the demolition;
 - (b) continue to utilize or install security features sufficient to secure the Unoccupied Premises against unauthorized entry, occupation, vandalism, intentional damage, and fire hazards; and
 - (c) maintain the Unoccupied Premises in accordance with this bylaw.

Part 2 – Boulevard Maintenance

Boulevard maintenance

- 14** (1) The Owner or Occupier of Property must, in respect of a Boulevard that abuts their Property:
- (a) keep the Boulevard free of Noxious Weeds;
 - (b) keep grass within the Boulevard mowed or trimmed to a height of not more than 30 centimetres;
 - (c) keep the Boulevard free of Waste;
 - (d) maintain the Boulevard to the standards set in the City authorized permit for the Boulevard;
 - (e) ensure that any landscaping and native vegetation within the Boulevard does not interfere with the passage of pedestrians, cyclists, or Vehicles, and that sight lines to intersections, driveways, sidewalks, Vehicle and bicycle lanes, and any traffic control devices are maintained;
 - (f) ensure that any landscaping or trees within the Boulevard receive, in accordance with applicable watering regulations of the Capital Regional District or any other authority having jurisdiction, sufficient water for their sustained growth and health, except where such landscaping or trees are watered by the City or its contractors or agents; and
 - (g) promptly remove or remedy any landscaping or other material or condition, except for trees and planted vegetation, within the Boulevard that is, or is likely to be or become, a hazard to Persons or Property, or that is deemed to be a hazard by the Director of Engineering or the Director of Parks.
- (2) This section does not apply:
- (a) to streamside protection enhancement areas;
 - (b) to lands within the Agricultural Land Reserve;
 - (c) with respect to a Separated Boulevard; or
 - (d) to that portion of a Boulevard located between two vehicular lanes.

Driveway maintenance

- 15** The Owner of Property must maintain that portion of the driveway between the property line and the edge of the roadway in a manner that ensures emergency vehicle access and protects the integrity of City infrastructure or drainage works that may be located within that portion of the driveway.

Culvert maintenance

- 16** (1) The Owner of Property whose driveway includes a culvert, except for a culvert which is maintained by the City, is responsible for the maintenance of the culvert and must:
- (a) ensure the culvert remains operational and free of debris; and
 - (b) replace or fix the culvert in a timely manner if any damage occurs to the culvert or the culvert is no longer operating as intended.

(2) An Owner who is required to maintain a culvert must obtain a Street Construction Permit pursuant to the *Streets and Traffic Bylaw* before removing and replacing a culvert, but such Owner will be exempt from the construction inspection fees required for that permit.

(3) An Owner who is extending a culvert or widening a driveway must apply for a Street Construction Permit pursuant to the *Streets and Traffic Bylaw*.

(4) Subsection (2) does not exempt the construction inspection fees for any extensions or expansions to an existing driveway or culvert.

Stormwater drainage

17 A Person must not fill in ditches which form part of the City's stormwater drainage system or alter existing stormwater drainage networks unless they have obtained a permit pursuant to the *Streets and Traffic Bylaw* prior to commencing any work.

Part 3 – Community Standards

Nuisance prohibition

18 (1) A Person must not cause or permit a Nuisance to occur on their Property.

(2) A Person must not cause a Nuisance in any public or private place.

Litter

19 (1) A Person must not leave, deposit, throw, dump, or otherwise discard any Waste in a public place, except in receptacles designated and intended for such use.

(2) For the purpose of subsection (1), each separate item or bag of Waste constitutes a separate offence.

Dumping

20 (1) A Person must not dump, place, leave, throw, deposit, or otherwise discard any materials in a public place, or on a Property without the authorization of the Property Owner.

(2) A Person must not dump, place, leave, throw, deposit, or otherwise discard any construction material or household Waste in a public place or any public receptacles that are intended for Waste, and must dispose of all construction materials safely so as to prevent contamination.

(3) For the purposes of this section, each separate item or bag of materials constitutes a separate offence.

Urinate or defecate

21 A Person must not urinate or defecate in a public place except in a facility intended and designed for such use.

Throwing items

22 A Person must not throw or propel an object or item in a public place or Street in a manner which is likely to cause injury to another Person or damage to Property, Vehicles, or personal property.

Street Furniture

23 A Person must not climb on, overturn, alter, deface, damage, destroy, tamper, remove, or otherwise interfere with any Street Furniture.

Panhandling

24 A Person must not panhandle:

- (a) in a manner which obstructs or impedes the convenient passage of pedestrians or Vehicles on a Street or public place;
- (b) in such a manner as to threaten, insult, or harass other users on the Street; or
- (c) from a Person who has already declined the solicitation.

Graffiti

25 (1) A Person must not place, or cause to be placed, Graffiti on Property, including a wall, fence, sign, other structure, or Street Furniture, without the written consent of the Property Owner.

(2) The Owner or Occupier of Property with Graffiti placed on it must remove, cover, or otherwise block from public view the Graffiti within 14 days of the Graffiti being placed.

Fighting

26 A Person must not participate in a fight or physical confrontation in any public place, except in an organized sporting event governed by the rules of conduct of that sporting event.

Part 4 – Noise Regulations

Division 1 – General Noise Regulations

General noise control

27 (1) A Person must not make noise or sound in or on a Street, park, or other public place which unreasonably disturbs or tends to disturb the quiet, peace, rest, enjoyment, comfort, or convenience of the public or of Persons in the vicinity.

(2) The Owner or Occupier of Property, or anyone for whom they are responsible, including invited guests, must not make, cause, or permit to be made any noise or sound which disturbs or tends to disturb the quiet, peace, rest, enjoyment, comfort, or convenience of the public or of Persons in the vicinity.

(3) In determining if a sound disturbs or tends to disturb the quiet, peace, rest, enjoyment, comfort, or convenience of the public or of Persons in the vicinity, the following criteria may be considered:

- (a) type, volume, and duration of the sound;

- (b) time of day and day of week; and
 - (c) the nature and use of the surrounding area.
- (4) The emission of noise or sound in connection with the following are excluded from the prohibitions, regulations, and penalties contained in this bylaw:
- (a) activities for which a Noise Permit has been issued;
 - (b) police, fire, bylaw, or emergency Vehicles or activities conducted by police, fire or bylaw, including training;
 - (c) horn or signalling devices on a boat, train, or Vehicle when used as a danger or warning signal;
 - (d) activities of a local government, other government, or utility company, or their contractors when providing a service to the public, including Construction or repair on a Street or other public work, or while engaged as a service of public convenience or necessity;
 - (e) bells or chimes from churches or public institutions;
 - (f) the unloading, loading, pick-up, or delivery of containers, products, materials, or any other item or thing that is necessary for the maintenance or the moving of household effects;
 - (g) noise or sound created in connection with emergency measures undertaken for the immediate health, safety, or welfare of individuals or for the preservation or restoration of Property;
 - (h) noise or sound created from Special Events for which there is a valid Special Events Permit; and
 - (i) rifle ranges and trap shoots between 8:00 a.m. and 8:00 p.m.

Objectionable noise

- 28** Without limiting the above section, the following noises, sounds, and conduct are specifically prohibited:
- (a) playing or operating a radio, television, instrument, or any device to produce amplified sound, where the noise or sound is clearly audible at a Point of Reception in a residential area between the hours of 11:00 p.m. one day and 9:00 a.m. the following day;
 - (b) playing or operating a radio, television, instrument, or any device to produce amplified sound on a Construction site where the noise or sound is clearly audible at a Point of Reception;
 - (c) operating a Vehicle which by reason of disrepair, missing or damaged parts, or other cause emits excessive noise;
 - (d) excessive engine revving;
 - (e) operating a heat pump or compressor which by reason of disrepair or improper use or installation emits excessive noise; and
 - (f) use of engine retardant brakes while operating a Vehicle.

Division 2 – Construction and Commercial Noise Regulations

Permitted Construction and commercial noise

- 29** (1) Despite any other provision of this bylaw, the following activities may be performed during the times and days set out below:
- (a) Exterior Construction or interior Construction where windows and doors are not fully installed:
 - (i) Monday to Friday between the hours of 7:00 a.m. and 7:00 p.m.
 - (ii) Saturdays between the hours of 9:00 a.m. and 5:00 p.m.
 - (iii) Sundays and Statutory Holidays prohibited unless authorized by a Noise Permit.
 - (b) Construction work inside a building with doors and windows installed and closed is permitted on any day and at any time, but such work must not unreasonably disturb the quiet, peace, rest, enjoyment, comfort, or convenience of people in the vicinity.
 - (c) Site preparation, grading, or servicing work:
 - (i) Monday to Friday between the hours of 7:00 a.m. and 7:00 p.m.
 - (ii) Saturdays between the hours of 9:00 a.m. and 5:00 p.m.
 - (iii) Sundays and Statutory Holidays prohibited unless authorized by a Noise Permit.
 - (d) Rock breaking, rock drilling, Rock Crushing, or Blasting:
 - (i) Monday to Friday between the hours of 8:00 a.m. and 5:00 p.m.
 - (ii) Saturdays, Sundays, and Statutory Holidays prohibited unless authorized by a Noise Permit.
 - (e) Loading, unloading, delivering, collecting, packing, unpacking, or otherwise handling any container, equipment, products, materials, or refuse whatsoever must not be carried out in a manner that unreasonably disturbs the peace, quiet, rest, enjoyment, comfort, or convenience of people in the vicinity.
 - (f) On site maintenance of equipment must not be carried out in a manner that unreasonably disturbs the peace, quiet, rest, enjoyment, comfort, or convenience of people in the vicinity.
- (2) A Person who performs any of the activities listed in subsection (1) outside of the permitted times commits an offence.
- (3) Despite subsection (1), home repairs and home maintenance or the Construction of accessory buildings and structures on residential Property carried out directly by an Owner or Occupier of the Property is permitted on a Sunday or Statutory Holiday between the hours of 10:00 a.m. and 5:00 p.m.

Noise permits

- 30** (1) A Person may apply to Bylaw Enforcement for a temporary Noise Permit allowing for noise that would otherwise contravene this bylaw, if it is otherwise impractical or impossible to comply with this bylaw, such as where there are life or safety concerns, extended concrete pours which cannot be completed during the hours permitted, or other extenuating circumstances which will be assessed on a case by case basis. For clarity, a Noise Permit will not be issued for Blasting activities.

- (2) The Manager of Community Safety and Municipal Enforcement or their designate may issue Noise Permits and may impose any conditions on the Noise Permit deemed necessary or expedient, including requirements to notify Occupiers within a certain radius of the proposed activity.
- (3) The Manager of Community Safety and Municipal Enforcement must establish and publish an application form for Noise Permits.
- (4) The applicant for a Noise Permit must:
 - (a) complete an application form, which must:
 - (i) include the reason for the request and why it is impossible or impractical to follow the noise regulations; and
 - (ii) the date and times for which the Noise Permit is sought;
 - (b) pay a non-refundable application fee of \$500.00; and
 - (c) abide by all general and special conditions listed on the application form and Noise Permit, if issued.
- (5) An application for a Noise Permit must be made at least five business days prior to the proposed activity.
- (6) Despite subsection (5), an application for a Noise Permit may be made between two and four business days prior to the proposed activity, however:
 - (a) the applicant must pay an additional \$250.00 late processing fee; and
 - (b) such application will only be processed in urgent circumstances at the discretion of the Manager of Community Safety and Municipal Enforcement.
- (7) All approved permits must be made available on the City's website in an easily accessible location before the date(s) of the activities. The information provided must include the applicant, the applicant's company, contact information, exact location using the municipal address and PID, the times and date(s) of the activities, the precise nature of the activity that will create the noise, and the detailed reasons why the exception of the permitted hours in the Community Standards Bylaw is warranted.

Part 5 – Dust Control

Dust control

- 31** A Person, in carrying out any activity involving excavation, storage, depositing, moving, or removing any soil, or which generates sufficient dust that does or may constitute a Nuisance, must apply water or another dust suppressant to mitigate the emission of dust that is liable to or does disturb the peace, rest, enjoyment, comfort, or convenience of individuals or the public or to foul or contaminate the atmosphere.

Notice to mitigate dust

- 32** (1) A Bylaw Enforcement Officer may issue a notice in writing to a Person not in compliance with section 31, requiring that Person to apply water or another dust suppressant to mitigate the emission of dust.
- (2) If a Person on whom a notice is issued under subsection (1) does not take the required action within 24-hours of receiving the notice, the City may:
- (a) impose fees for the Nuisance Service Call and Nuisance abatement; and
 - (b) issue a fine.

Part 6 – Construction Impact Management

Good neighbour commitment

- 33** (1) Every Developer and Builder who undertakes or supervises Construction in the City must complete, prior to commencing Construction, a signed declaration acknowledging that the Developer or Builder has read and understands the City's *Good Neighbour Policy*.
- (2) This section takes effect at the time that Council adopts the *Good Neighbour Policy*.

Responsibility for sub-contractors

- 34** Every Developer and Builder must ensure that each contractor retained to provide Construction services is informed of and has committed in writing to follow all applicable bylaws and policies as they relate to City Streets and Construction, either by posting the *Good Neighbour Policy* in a visible location at the work site or providing a copy of it to the contractor.

Site security

- 35** The Developer or other Person responsible for a Construction site must ensure that:
- (a) signage in good and legible condition with up to date 24/7 emergency contact information is clearly posted at the Construction site;
 - (b) all materials at the Construction site are secured to prevent them from blowing off the site;
 - (c) the Construction site is secured against unauthorized entry;
 - (d) the Construction site is secured in a manner which prevents injury to Persons and wildlife; and
 - (e) any materials at the Construction site are securely contained within the Construction site.

Materials on City Property

- 36** A Developer or Person responsible for a Construction site must ensure that any City property abutting the Construction site, including Streets, sidewalks, multi-use pathways, parks, and bicycle lanes are free of debris and materials originating from or related to the Construction site.

Rock Crushing and aggregate processing onsite

- 37** Except with the express written consent of all property owners and occupiers of an occupied residential Property a Person must not engage in Rock Crushing or aggregate processing within 100 metres of an occupied residential Property. Such consent must be in writing and is valid for not more than 18 months.

Part 7 – Administration

Division 1 – Nuisance Abatement and Service Calls

Nuisance abatement

- 38** (1) A Person who causes a Nuisance, and the Owner or Occupier of Property on which a Nuisance is occurring, must abate or cause to be abated the activity or condition which causes the Nuisance.
- (2) The City may, by its employees, contractors, and agents, abate or cause to be abated the activity or condition causing a Nuisance if a Person does not comply with the direction to abate a Nuisance.

Notice to comply

- 39** (1) A Bylaw Enforcement Officer may serve a notice on a Person, requiring them to comply with this bylaw.
- (2) A notice under subsection (1) must set out the following:
- (a) the name of the Person subject to the notice;
 - (b) the date the notice was made;
 - (c) the address or location affected by the notice;
 - (d) the provision of this bylaw that the Person contravened;
 - (e) the date by which the Person must comply with the notice;
 - (f) a statement that the City may impose a penalty or conviction for the offence of failing to comply with a notice, or refer the matter to Council for a remedial action requirement; and
 - (g) any additional information required by law.
- (3) A notice under subsection (1) may set out:
- (a) a description of the circumstances of the contravention; or
 - (b) an explanation of how to comply with the notice.
- (4) If a Person fails to comply with a notice issued under this section, that Person commits a separate offence for failing to comply with a notice issued under this bylaw.
- (5) If a Person fails to comply with a notice issued under this section, the City may take action to fulfil the notice and impose the costs incurred as a fee in accordance with the fees in Schedule “A” to this bylaw.

Nuisance service calls

- 40** (1) Where a Bylaw Enforcement Officer or City employee, contractor, or agent is required to respond to a Property for:

- (a) more than one Nuisance Service Call within a 24-hour period; or
- (b) more than three Nuisance Service Calls within a three-month period,

and the Nuisance is established, the City may provide written notice to the Owner of the Property.

(2) A notice issued under subsection (1) must:

- (a) describe the conduct associated with the Nuisance Service Call;
- (b) advise that a Nuisance Service Call fee may be imposed for each subsequent Nuisance Service Call to the Property; and
- (c) advise that the imposition of such fees in addition to any other remedies or abatement measures available to the City.

(3) A Person who receives a notice under subsection (1) must pay the Nuisance Service Call fee in Schedule “A” for each Nuisance Service Call occurring at the Property within the 12-month period following the date of the notice.

(4) All Nuisance Service Call and Nuisance abatement fees must be paid within 30 days of the date of issuance of an invoice from the City.

(5) Unpaid Nuisance Service Call and Nuisance abatement fees may be recovered in accordance with section 45 of this bylaw, and the *Community Charter*.

Nuisance abatement cost imposition

41 The City may impose the costs incurred in abating or responding to a Nuisance as a fee on one or more of the following, in accordance with the fee schedule in Schedule “A” of this bylaw:

- (a) the Person causing the Nuisance;
- (b) the Occupier of Property from which the Nuisance emanates; or
- (c) the Owner of Property from which the Nuisance emanates.

Service

42 Service of all notices, fees, orders, and demands for payment under this bylaw may be served by any of the following methods:

- (a) personal service;
- (b) regular mail, in which case, service is deemed effective on the 5th business day after being mailed;
- (c) in the case of an Occupier, by leaving the document at an entrance to, or posted on, the Property; or
- (d) in the case of a corporation, leaving the document at the registered office of the corporation or leaving it with a director, officer, or manager of the corporation.

Division 2 – Contraventions and Enforcement

Contraventions

43 (1) A Person who:

- (a) contravenes or violates a provision of this bylaw;

- (b) consents, allows, or permits an act or thing to be done in violation of a provision of this bylaw; or
 - (c) neglects or refrains from doing anything required to be done by a provision of this bylaw, commits an offence and is liable to the penalties imposed under this bylaw and any other applicable bylaw of the City.
- (2) Each day that the offence or contravention continues constitutes a separate offence.
- (3) A contravention of a term or condition of a permit is a contravention of this bylaw.

Enforcement

- 44** (1) An offence under this bylaw may be enforced:
- (a) by means of a ticket issued under the *Ticket Information Authorization Bylaw No. 34, 1993*;
 - (b) by means of a bylaw notice issued under the *Bylaw Notice Enforcement Bylaw No. 1980, 2021*;
 - (c) by prosecution under the *Offence Act*, RSBC 1996, c. 338; or
 - (d) by way of civil action as authorized by law.
- (2) The issuance of a ticket, bylaw notice, or proceeding under the *Offence Act* for an offence does not preclude the City from enforcement by other proceeding or through any other remedy available to it by law.

Collection of costs incurred

- 45** The City may recover any fees imposed under this bylaw in accordance with the *Community Charter*, including through:
- (a) recovery as a debt due to the City in a court of competent jurisdiction; or
 - (b) recovery by any other method authorized under the *Community Charter* or another law;
- and the use of one method does not prevent the City from seeking recovery by one or more other methods.

Inspection

- 46** A Bylaw Enforcement Officer or City employee may enter onto Property, in accordance with the provisions of the *Community Charter* for entering onto property, for the purpose of inspecting to determine whether the regulations, restrictions and requirements of this bylaw are met.
